

2) Transfer to the Bachelor of Fine Art (Animation, Film, Video + Integrated Media and Photography majors); and the Bachelor of Design (Communication Design and Industrial Design majors).

Students who have completed the Diploma in Visual and Creative Arts at Fleming College with an average of C (2.00) or higher will normally be considered for admission to year two (2) of the above noted programs on the basis of their academic standing and a portfolio review. It should be noted that these programs have competitive entry and therefore the portfolio should reflect work that is consistent with the intended major.

3) Credit Assignment and Deficiencies

Based on the Fleming College Diploma (2008), students admitted to the Bachelor of Fine Art (Visual Art and General Fine Art majors) will receive a total of 57 credits on transfer. Students will be deficient 3 credits of first year English (University Transfer). Students should consider making up the first year English deficiencies prior to admission to Emily Carr University.

The institutional contacts responsible for the administration of the articulation agreement will be:

Alan McMillan
Director of Student Services + Registrar
Emily Carr University of Art + Design

Sandra Dupret
Principal, Haliburton Campus
Fleming College

The specific terms and continuation of the agreement will be reviewed annually by both parties. Responsibility for the review will be administered through the Office of the Principal, Haliburton School of the Arts, and the Office of the Vice President, Academic, Emily Carr University of Art And Design.
