NOTES: The number of valid surveys reflects the number of completed surveys that met the Ministry of Training, Colleges, and Universities (MTCU) criteria. This report includes all programs with graduates in Summer 2007, Fall 2007 or Winter 2008; including some programs not currently offered. Graduate Employment values are based on the graduates who were classified as eligible for work according to the MTCU criteria. If the graduate did not provide sufficient salary information, annual income was not calculated.

Only graduates who were employed in FULL-TIME (>=30 hours/week), RELATED work are included in the calculation of average salary. Any salaries below \$12,514.32 (30 hours/week at \$8.00 minimum wage) or above \$70,000 were not included in the calculation of salary.

Responses as few as one are explicitly displayed in this report. Therefore, this report should be kept confidential for internal use only to protect the privacy of the students/graduates in accordance with the Freedom of Information and Protection of Privacy Act.

* indicates that salary information was available for fewer than 5 graduates within the program. All salaries within the above limits have been included in the school and college average salary calculations, including those for programs with less than 5 graduates with salary information.

**Statistics not available for programs with fewer than 5 graduates.
